Chapter 2

Introduction to Psalms Code II

The Jesus Cycle

The 19th Book of the Bible, the Book of Psalms starts with the verse “**Blessed is the man that walketh...**” [Psalms 1:1]. Rasputin traveled, on foot, from Tyumen Oblast, Russia to Jerusalem and Athens, Greece the year the first Psalms points at – in year 1901.

Rasputin reportedly showed indications of supernatural powers throughout his childhood. For example, he mysteriously identified the man who had stolen one of his father's horses and developed a reputation for having a knack for identifying thieves.

In 1901, he [Rasputin] left his home in Pokrovskoye as a pilgrim and traveled widely, mostly on foot. He even traveled to Greece, where he visited the holy monks at Mount Athos, and Jerusalem.

The entire 150 Chapters of the Psalms, at its fourth and final layer, are devoted to him – to Immanuel, Jesus Christ. The 19th Book of the Bible, Psalms, starts with the verse that hints the journey of the 19th incarnation of Jesus Christ. In other words, the very first verse of the Book of Psalms declares the dedicated deity and the official address of the 3,000-year-old verses.

It is no other than Jesus Christ - the Man who died not! Jesus Christ: the supernatural, the phenomenal, if not the extraterrestrial [one Man, twenty-two lives!]. As his biblical name "Immanuel" clearly defines: "The Lord" who "is with us"!

The Earth was LORD's gift to him. What we call "history" is, was and still is being written for him, at certain times, exclusively by him. Jesus called on the LORD, and the LORD heard him. When Jesus died or was murdered, it was the LORD of Hosts who saved him and brought him back to life. Jesus never died a permanent death. His deaths were only temporary "leaves of absence". He was in one extreme condition or state of "savasana" [corpse pose] when he died. He was destined to be born again. He, almost, incarnated at will. He called on the LORD, and the LORD saved, "delivered" or "redeemed" him; hence the name Jesus ["Yahweh saves or rescues"]. Death was not an obstacle for Immanuel. He would die but would soon be brought back to life again exclusively by the LORD of Hosts. In a way, the entire globe, the planet Earth may be pictured as Immanuel's playground. He lived several lives in it, and at certain times, all at once! He wrote, personally staged and played the lives of certain key figures of human history all by himself. Without a shadow of a doubt, he still does! We are talking about a Man who is at least 3,000 years old by our [human] standards! The fourth and final layer of the Psalms is devoted entirely to Immanuel ["Lord is with us"] - Jesus Christ!

In the Bible, the LORD is depicted with the number 19 [the figure that is made of two numbers: 1 and 9 - the "first" and the "last"]. "I am Alpha and Omega" declares the Lord. In our decimal system number one marks "the first" and number nine marks "the last" numeral. [Number zero was not put to use up until the 10th century AD]. One plus nine makes a ten. One "and" nine ["Alpha and Omega"] make a "19"! As declared in Isaiah 44:6 and Revelation 22:13, 19 is the number of the LORD ("first" and "last", "Alpha" and "Omega"; 1 and 9 or 19), just as 22 is the number of Jesus Christ "His Anointed".

The number 19, the holy number that represents the LORD ("the first and the last") unveils all secrets hidden from man!

The Koran is also known for its “miracle of 19” – the network of the number 19 across its Chapters and verses. Note that 19th Chapter of the Koran starts with 19th letter of its Hebrew equivalent – letter Kaf. The verses and the messages of the Psalms and the Koran are interlocked to one another as we shall reveal in this book and in another book titled “Psalms Confirm the Koran”.

Jesus, who started his first life as “Immanuel” [“The Lord is with us”], a name and a life lived exclusively by the LORD of Hosts, founded and established Christianity. He was born once a century, once a generation, and he made himself known usually at the 69th or 70th year of the century at hand, 77 years from the first Jubilee Year of the following century. Following His Crucifixion, he lived four more lives in the consecutive four centuries that followed. At his sixth life, he incarnated as Prophet Mohammed, delivered the Koran and founded Islam. As hinted in several verses of the Psalms, especially in the 19th Psalm, Prophet Mohammed was the 6th incarnation of Jesus Christ. He not only established the religion of Islam, but ruled the Arab nation and was the Commander in Chief of their army as well.

When Islam was revealed six centuries after the birth of Christ, the ultimate sin Jews committed against the LORD was not totally forgotten. Parallel to the Christian faith, Jesus was the LORD but only at his first and last lives. Attempting to crucify the LORD may be the very reason why certain verses of the Koran portray Lord’s anger at the Jews, even though the abomination Jews committed was already six hundred years old by our standards when Islam was first revealed. Considering the fact that a thousand years is only a day on LORD’s calendar [Psalms 90:4], six hundred and ten years would only mark a 0.61th of a day [the **Golden mean**, or the **Golden Ratio**!] for the LORD who still held His fury against the Jews when Islam was introduced [610 AD]. The 19th Book, 19th Chapter of the Bible, Psalms, illustrates Islam. Incidentally, the 19th Book, 19th verse of the Koran, the Holy Book of Islam, signals the birth of Jesus! Moreover, the 19th Book of the Koran is titled

“Marium”, or “Mary”, the Virgin who begot Jesus! Coincidence? We most certainly do not think so!

At the end of His miraculous series of lives, Jesus was all. He started his journey, His first life as a Jew [Jesus of Nazareth] lived exclusively by the LORD of Hosts Himself. Centuries later Jesus continued his cycle of lives as an Arab [Prophet Mohammed], and ended it as a Russian [Rasputin], a Jew and a Turk [Lenin], an American [Royal Raymond Rife] and finally the “Father of Turks”, a Turk. Ataturk [Mustafa Kemal Ataturk - a name and lastname composed of 19 letters] marked the final, the 22nd incarnation of Jesus Christ. He was a “name” reserved to be lived by the LORD of Hosts Himself alone. Ataturk founded the Republic of Turkey, and was the Commander in Chief of the Turkish Army and the first President of the Turkish “race”.

The final four lives of Jesus, the 19th to 22nd incarnations, were “worn” all at once; commemorating his spectacular series of lives with one stunning finale! At the end of the 1,900-year incarnation cycle, by the end of the 19th year of the 19th century, the past, the present and the future of human history were already co-written exclusively by the LORD of Hosts and His Anointed Jesus Christ alone!

In 1903, Rasputin arrived in Saint Petersburg, where he gradually gained a reputation as a starets (holy man) with healing and prophetic powers.

In 1905, Rasputin was approached to help the Tsarevich Alexei, who suffered from a serious case of hemophilia. Through his prayers and healing presence, he was indeed able to give the Tsarevich relief, in spite of the doctors' prediction that the boy would die. Numerous reports indicate that whenever the boy had an injury which caused him internal or external bleeding, the Tsaritsa called on Rasputin, and the Tsarevich subsequently got better. The family soon developed a dependency on Rasputin, and he began to act as its spiritual adviser.

Rasputin was called a “**holy man**” (by the Tsar), a “**prophet**” and “**Christ**” (by Tsar’s wife Alexandra who claimed God talked to her through Rasputin), he was considered to be a “**religious prophet**” and a “**man of God**” by both the Tsar and his wife, and even “**Anti-Christ**” (by Khionia Guseva, who attempted to kill him - “I’ve killed the Anti-Christ”). People who knew him well were aware of his heavenly qualifications.

*The Tsar referred to Rasputin as “our friend” and a “**holy man**,” a sign of the trust that the family placed in him. Rasputin had a considerable personal and political influence on Alexandra,[3] and **both the the Tsar and Tsaritsa considered him a prophet**. Eventually, he became a kind of appointment secretary to the royal couple, a situation which caused considerable resentment among the Russian nobility. Alexandra even came to believe that God spoke to her through Rasputin.*

Why did Jesus Christ live the life “Anti-Christ” in the body and under the name of Rasputin [and later Lenin]? Rasputin, though seen as a “holy man” by the Tsar, his wife and the elite of St. Petersburg, also had fame as a womanizer. His motto of “**divine grace through sin**” conflicted with what Jesus Christ taught 1,900 years ago. The **18th Psalm** gives the answer:

25 With the merciful thou wilt shew thyself merciful;
with an upright man thou wilt shew thyself upright;

26 **With the pure thou wilt shew thyself pure;** and with the froward thou wilt shew thyself froward.

In other words, the general character of the people of the nation Jesus incarnated in would reveal and determine the general character of Jesus. If he was born in a nation with atheism and denial of God as their main attribute, Jesus would “wear” that character and outlook on life just the same. He was a prophet among the Jews [**Jesus Christ**], a prophet and a warrior among the Arabs [**Prophet Mohammed**], a scholar and a statesman, a commander-in-chief among the Turks [**Yusuf Khas Hajib and Ataturk**], a scientist, a man of research and development and a doctor among the Americans [**Royal Raymond Rife**], a womanizer who taught “divine grace through sin” and the head of the atheists and atheism among the Russians [**Rasputin and Lenin**].

Psalms 18:

25 **With the merciful thou wilt shew thyself merciful;** with an upright man thou wilt shew thyself upright;

26 **With the pure thou wilt shew thyself pure;** and with the froward thou wilt shew thyself froward.

Jesus, in his next, 20th incarnation was “made” Lenin, the “head of the heathen” [atheists, Communists] who ordered the death of the Tsar [Nicholas II] who had setup the execution of Rasputin’s death two years earlier!

Psalms 18

43 Thou hast delivered me from the strivings of the people; and **thou hast made me the head of the heathen:** a people whom I have not known shall serve me.

44 As soon as they hear of me, they shall obey me: the strangers shall submit themselves unto me.

49 Therefore will I give thanks unto thee, O LORD, **among the heathen**, and sing praises unto thy name.

Only 19 days after the 10th anniversary of the Tunguska Explosion, and 19 months after Rasputin's death, the Tsar, his wife, his son, his daughters, the family maids, chefs, doctor and even the family dog were murdered the same - on the night of July 16/17, 1918. Lenin, the 20th incarnation of Jesus Christ, ordered the total extermination of the Tsar and his family who had ordered the death of his previous incarnation, Rasputin, only 19 months earlier!

It was the Tsar Nicholas II who ordered Rasputin to be killed! Prince Felix executed the order and finished the "job". The Tsar never put Prince Felix on trial for having killed Rasputin - the "Man of God" who had miraculously healed his son's internal bleeding.

The Tsar did not consider much about the warnings Rasputin made clear to him in his last letter either; addressed at him days prior to Rasputin's own death. 19 months later, the Tsar, his wife, his son and his four daughters were murdered just the same, on the night of 16/17 July 1918, and lay dead.

Rasputin's Last Letter

"I write and leave behind me this letter at St. Petersburg. I feel that I shall leave life before January 1st. I wish to make known to the Russian people, to Papa, to the Russian Mother and to the children, to the land of Russia, what they must understand. If I am killed by common assassins, and especially by my brothers the Russian peasants, you, Tsar of Russia, have nothing to fear, remain on your throne and govern, and you, Russian Tsar, will have nothing to fear for your children, they will reign for hundreds of years in Russia. But if I am murdered by boyars, nobles, and if they shed my blood, their hands will remain soiled with my blood, for twenty-five years they will not wash their hands from my blood. They will leave Russia. Brothers will kill brothers, and they will kill each other and hate each other, and for twenty-five years there will be no nobles

in the country. Tsar of the land of Russia, if you hear the sound of the bell which will tell you that Grigory has been killed, you must know this: if it was your relations who have wrought my death then no one of your family, that is to say, none of your children or relations will remain alive for more than two years. They will be killed by the Russian people... I shall be killed. I am no longer among the living. Pray, pray, be strong, think of your blessed family.

Words written by Grigory Rasputin in a letter to the Tsarina Alexandra, 7 Dec 1916".

23 days later, Rasputin was killed, by two relatives of the Tsar Nicholas II. 19 months after Rasputin's death, the Tsar and his family lay dead.

The three century-long Romanov reign over Russia ended with the assasination of the Tsar and his family and **"they were not able to rise"** again. The Tsar paid a costly price for having ordered Rasputin's death in 1916. He shared the same fate with Rasputin only 19 months later, in the summer of 1918 - hinted in the **18th Psalm** with the verses:

37 I have pursued mine enemies, and overtaken them: neither did I turn again till they were consumed.

38 I have wounded them that **they were not able to rise**: they are fallen under my feet.

39 For thou hast girded me with strength unto the battle: thou hast subdued under me those that rose up against me.

40 Thou hast also given me the necks of mine enemies; that I might destroy them that hate me.

41 They cried, but there was none to save them: even unto the LORD, but he answered them not.

42 Then did I beat them small as the dust before the wind: I did cast them out as **the dirt in the streets**.

The 42nd verse ends with the line: "I did cast them out as **the dirt in the streets**".

"In January 1998, the remains of the [Tsar and his family were] excavated from underneath the **dirt road** near Yekaterinburg ...".

In 1979, the bodies of Tsar Nicholas II, Tsarina Alexandra, three of their daughters, and those of four non-family members killed with them, were discovered near Yekaterinburg by amateur archaeologist Alexander Avdonin.

In January 1998, the remains excavated from underneath the dirt road near Yekaterinburg were officially identified as those of Nicholas II and his family (excluding one of the sisters, and Alexei). The identifications by separate Russian, British and American scientists using DNA analysis concur and were found to be conclusive.[53] After the testing the remains were finally interred at St. Peter and Paul Cathedral in Saint Petersburg on 17 July 1998, eighty years after they were murdered.

The new 1,900-year cycle is due to start again in year 2019, at exactly 100 years after the end of the first one that halted in 1919! Again, the new "Jesus Incarnation Cycle" is destined to

be launched precisely in year 2019 – the year the 119th Psalm points at, 19 years after the end of the second millennium following Jesus Christ's first birth! As the "First" and the "Last" the LORD of Hosts will "live" the very first new life of the new "Jesus Cycle" once again! Just like the previous cycle, the new cycle will offer yet another 22 new lives for Jesus Christ, plus two more – a total of 24 lives! The 119th Psalm, is the longest Psalm, and is the longest Chapter of the Bible and hosts several clues as to what to expect in each and every upcoming life Jesus will reveal himself in from year 2019 and onward. The word "LORD" is mentioned 24 times within the 119th Psalm that points to year 2019 events, hinting the start of 24 brand new lives destined for Jesus within the new "Jesus Cycle" of 1,900 years. Each letter of the Hebrew alphabet signals and numbers the lives that await Jesus in his long journey ahead and hint the context, the duty and the character of each therein.

Nine years from now, the LORD will make Himself known as a human, manifested in a human body, under a new name, in an office or duty He already has "sworn in" here on Earth in year 2010. The very first life of the new 1,900-year incarnation cycle of Jesus shall again be "lived" or "worn" exclusively by the LORD of Hosts Himself. The LORD is nigh! Just nine years from now, mankind will have an "twice in a 1,900 years" chance to witness the start of a new Jesus Cycle and behold the glory of the LORD manifested in a human body with their own eyes! Though it may sound as science fiction to most, the key phrases hidden in the Psalms have kept signaling the fact for the past 3,000 years. The true message of the Psalms was either ignored, kept secret or remained unsolved. There is no verse in the Psalms that claims that Jesus had just one life, lived it and died and that was all there is to it. To the contrary, the final, the fourth and outmost layer of the Psalms belongs to Jesus and is there to reveal the hidden Jesus of the era at hand.

What we call "history", in a way, is the biography of Jesus. The almanac of mankind is nothing but the diary of Jesus! – the Man who died not! [A permanent death!]

Psalms 118:

17 I shall not die, but live, and declare the works of the LORD.

18 The LORD hath chastened me sore: but he hath not given me over unto death.

The 118th Psalm is the "middle", the "center" chapter of the entire Bible. The 118th Psalm that points to year 2018 AD events signals that half of human history is over. The 119th Psalm that points to year 2019 AD events [the year of the start of the new Jesus Cycle] hints the start of another era - the other half!

Chapter 3

A Brief Study of Year 1919 and the 19th Psalm

Year 1919

The 19th Chapter of the 19th Book of the Bible, Psalms (devoted to the year 1919 AD events) starts with the verse:

The heavens declare the glory of God; and the firmament sheweth his handywork.

The word “firmament” mentioned in the verse alludes to the asteroid belt that separates the terrestrial planets Mercury, Venus, Earth and Mars from the non-terrestrial ones Jupiter, Saturn, Uranus and Neptune. In other words, the 19th Chapter of the 19th Book of the Bible starts with a verse that illustrates our Solar System.

Our Solar System is made of ten heavenly bodies (excluding Pluto that was not discovered until 1930 - now considered a dwarf planet). In the Bible, the LORD is depicted with the number 19 [the figure that is made of two numbers: 1 and 9 - the “first” and the “last”].

Isaiah 44:

6 Thus saith the LORD the King of Israel, and his redeemer the LORD of hosts; I am the first, and I am the last; and beside me there is no God.

Revelation 22:

13 I am Alpha and Omega, the beginning and the end, the first and the last.

“I am Alpha and Omega” declares the LORD. In our decimal system number one marks “the first” and number nine marks “the last” numeral! [Number zero was not put to use up until the 10 th century AD/CE]. One plus nine makes a ten. One “and” nine [“Alpha and Omega”] make a “19”! [1 “and” 9 = 19]. As declared in Isaiah 44:6 and Revelation 22:13, 19 is the number of the LORD (“first” and “last”, “Alpha” and “Omega”; 1 and 9 or 19), just as 22 is the number of Jesus Christ “His Anointed”.

The 19th Book of the Bible, Psalms, is thus, of high importance. The 19th Book, the 19th Chapter of the Bible is twice as important. We expect more to be revealed about the LORD of Hosts and His “Anointed” Jesus Christ within its verses.

The second verse explains how one heavenly body of the Solar System “utters” speech during the day and how another body “shows” knowledge at nights.

Day unto day uttereth speech, and night unto night sheweth knowledge.

The verses clearly refer to and highlight the Sun, the Moon and “their line” that is “gone out through all the earth”. What could that line be? The Sun, the Moon and a line... What line? The line that is “gone out through all the earth” - the Equator line!

The Equator

The Equator is an imaginary line on the Earth's surface equidistant from the North Pole and South Pole that divides the Earth into a Northern Hemisphere and a Southern Hemisphere.

<http://en.wikipedia.org/wiki/Equator> - Accessed Dec. 21, 2010.

* * *

The first verse of the 19th Chapter of the 19th Book of the Bible highlights the asteroid belt (a “ring”, a circle). The second verse of the same Psalm highlights another “ring”, another circle: the virtual Equator line. In 1919, we were to expect an event in the heavens that would bring the Sun and the Moon together at the Equator line on Earth. The event alluded was none other than the [Total] Solar Eclipse of 1919 which had its greatest eclipse point (GE) at very close proximity to the Equator line!

The Solar Eclipse of 1919

A total solar eclipse occurred on May 29, 1919. With a maximum duration of totality of 6 minutes 51 seconds, it was one of the longest solar eclipses of the 20th century. It was visible throughout most of South America and Africa as a partial eclipse. Totality occurred through a narrow path across central Brazil after sunrise, across the Atlantic ocean and into south central Africa ending near sunset in eastern Africa.

http://en.wikipedia.org/wiki/Solar_eclipse_of_May_29,_1919 - Accessed Dec. 21, 2010.

Solar Eclipse

As seen from the Earth, a solar eclipse occurs when the Moon passes between the Sun and the Earth, and the Moon fully or partially covers the Sun as viewed from a location on Earth. This can only happen during a new moon, when the Sun and Moon are in conjunction as seen from Earth. At least two, and up to five, solar eclipses occur each year; no more than

two can be total eclipses.[1][2]

Total solar eclipses are nevertheless rare at any particular location because totality exists only along a narrow path on the Earth's surface traced by the Moon's umbra.

The Solar Eclipse of 1919 had a historic significance. In 1919, The Royal Astronomical Society (RAS) launched an expedition to the West African island of Príncipe to observe the total solar eclipse and prove or disprove Einstein's General Theory of Relativity. At the end of the observation Einstein's General Theory of Relativity was scientifically proven! Einstein was right. The subsequent attention given to Eddington's findings helped establish Einstein's reputation as one of science's greatest figures.

Einstein first proposed his General Theory of Relativity in 1915. It describes how any massive object, such as the Sun, creates gravity by bending space and time around it. Everything in that space is also bent: even rays of light. Consequently, distant light sources, behind the massive object, can appear in a different position or look brighter than they would otherwise. The total eclipse of 29th May 1919 gave scientists the chance to test the theory for the first time. Eddington travelled to Príncipe to observe the eclipse and measure the apparent locations of stars near the Sun.

Heavy clouds parted minutes before the eclipse and, with the Sun almost directly in front of them, the stars appeared to be shifted from the positions that Eddington had recorded in Oxford 4 months earlier – direct evidence that our nearest star shapes the space around it.” This first observational proof of General Relativity sent shockwaves through the scientific establishment,” said Professor Ferreira. “It changed the goalposts for physics.”

The 19th Book 19th Chapter of the Bible makes a reference to the Total Eclipse of the Sun of 1919. The reference highlights the role of the Moon within the Solar System and illustrates how the Moon, at times, is capable of overshadowing the Sun.

The satellite of the Earth, the Moon, that has literally submitted its orbit to the movement of the Earth since time immemorial is highlighted in the 19th Psalm. Meanwhile, we all know that the [crescent] Moon is the symbol of Islam ["Submission"].

Simply put, the 19th Book, 19th Chapter of the Bible highlights the Moon and illustrates Islam that is symbolized by the Moon and that follows a lunar calendar. The third verse that reads "There is no speech nor language, where their voice is not heard" alludes to Islam and to the Islamic call to prayer - the Adhan [Ezan].

Psalms 19:

3 There is no speech nor language, where their voice is not heard.

4 Their line is gone out through all the earth, and their words to the end of the world. In them hath he set a tabernacle for the sun,

5 Which is as a bridegroom coming out of his chamber, and rejoiceth as a strong man to run a race.

The "bridegroom coming out of his chamber" alluded is none other than the Prophet of Islam, Mohammed, who received the first verses of the Koran in the Cave ("chamber") of Hira. Prophet Mohammed was forty years old and a married man ("bridegroom") when he received his first revelation.

Just as declared in the fifth verse, Prophet Mohammed “rejoiceth as a strong man to run a race” – the race known to mankind as “Arabs”, who, until then, lacked a significant leader to “run” them.

The verse that reads “In them hath he set a tabernacle for the Sun” [NIV translation: “In the heavens he has pitched a tent for the sun”] alludes to Kaaba, the “tabernacle”, the “tent” for the Sun - the most sacred site of Muslims.

The NIV translation reports a “tent for the sun” that is located “in the heavens”. According to the Islamic tradition “the Kaaba reflects a house in heaven and that it was first built by the first man Adam and is believed that it is the first building ever built on earth. Abraham and Ishmael rebuilt the Kaaba on the old foundations”.

The sixth verse reads as follows:

6 His going forth is from the end of the heaven, and his circuit unto the ends of it: and there is nothing hid from the heat thereof.

The key phrases “his circuit” and “there is nothing hid from the heat of” mentioned in the sixth verse above alludes to the counter-clockwise circling of the Kaaba during Hajj [Pilgrimage].

“His going forth is from the end of the heaven” alludes to the physical [or the dream-state journey] known as “Miraj” Prophet Mohammed is reported to have experienced.

The 19th Book, 19th Chapter of the Bible [Psalms] and the Book of Islam known for its numerical miracle based on the number 19, the Koran, confirm one another! As we have studied, the first and second verses of the 19th Psalm highlighted the asteroid belt and the equator line that parted the Solar System and the Earth into two halves respectively. The [hinted] sacred bond between the Psalms and the Koran may be seen as the third celestial “belt” or “line” that bind the two Books that are separate from one another at equal amount of space and time [“space-time” according to Einstein’s General Theory of Relativity; a theory proved to be accurate with the Total Solar Eclipse of year 1919].

[Most of the] Psalms were authored by King David roughly 3,000 years before today, within the 10th century BC. Psalms reveal events bound to happen between years 1901 and 2050 AD. Prophet Mohammed, [whom the Koran was revealed to] was born in year 570 AD, at almost half point between the date Psalms was authored in and the years Psalms refer to!

To illustrate it further, if we subtract 1,500 years from Prophet Mohammed’s birth [570 AD] we arrive at year 930 BC – the 10th century BC, the very timeframe the Book of Psalms is authored in. If we add the same amount of years [1,500 years] to 570 AD [the year of Prophet Mohammed’s birth], we end up at year 2070 AD – the year of the first syzygy [planetary alignment] of the 21st century.

As we shall recall, the last Psalm refers to year 2050 AD events. The 90th Psalm [the Millennium Psalm] highlights years 2060 and 2070 AD. The first syzygy year of the 21st century is fated, scheduled for year 2070 AD as well. The new “Son of the Sun” [a.k.a “Son of God”] who rules not only his nation but the world just the same is destined to be crowned seven years after the year 2070 AD.

Finally, the dictionary definition of Psalms [Tehilim in Hebrew] is “praises”. The dictionary definition of “Mohammed” is just the same – “praise”.

The first verse of the 19th Psalm highlights the Sun, the Moon, the asteroid belt [“the firmament”] and the planets that make our Solar System – a total of ten heavenly bodies.

Six of those heavenly bodies are located within the asteroid belt (the Sun, the Moon, Mercury, Venus, Earth and Mars), and the remaining four (Jupiter, Uranus, Saturn and Neptune) are located outside the asteroid belt.

In other words, the number ten (10 heavenly bodies), the number six (6 heavenly bodies within the asteroid belt - the “firmament”), and the ratio of 6 to 10 are highlighted within the first verse of the 19th Psalm.

The ratio of 6/10 [0.60] is known as the “**Golden Ratio**”, the “**Golden Mean**”- the divine ratio [0.618 or 1.618] found in all LORD’s creations across the entire Solar System, “His handywork”!

A thousand years is only a day on LORD’s calendar [Psalms 90:4]. The 610 years past between the [first] birth of Jesus Christ and the revelation of Koran in his 6th incarnation as Prophet Mohammed , then, would only mark a 0.61th [the Golden Mean, or the Golden Ratio] of a day for the LORD.

In other words, only a 0.61th of a heavenly day had passed for the LORD between Jesus’ first birth to Virgin Mary and the year Koran was first revealed [610 AD].

LORD’s fury against the Jews [reflected in various verses of the Koran], much like, at times, Vatican’s intolerance of the very race Jesus belonged to may be due to the fact that the Jews had attempted to kill the LORD, crucified Him on a cross. Jesus was the LORD Himself who exclusively and personally lived the Alpha and Omega incarnations of His Anointed since

time immemorial ["I'm the first, I'm the last"]. The Crucifixion of Christ, then, was/is the ultimate sin!

The keywords "gold", "fine gold" and the 6/10 ratio of planets within and out of the asteroid belt ["the firmament"] mentioned in the verses and the Koran having been revealed at precisely 0.61^{th} years of a thousand years, 610 years from the first millennium since the birth of Christ, allude to none but the Golden Ratio.

Finally, a recent study asserts that the Kaaba, the most sacred site of Islam, sits at the Golden Ratio point between the top and the bottom of the Northern and the Southern hemispheres of the Earth respectively.

The 610^{th} , 1220^{th} , 1830^{th} years that are equidistant from one another by 610 years [the number of years passed between the birth of Jesus Christ and the first revelation of Koran] were destined to be crucial for Islam, and for Turks that were woven to one another by a bond of fate since day one.

Today, almost all holy objects and relics of Islam, including the personal belongings of Prophet Mohammed, a hair of His beard [Sakal-i-Serif], the keys of Kaaba are in the hands of the Turks, on display at the Topkapi Palace in Istanbul, Turkey.

Again, amidst the first 610 years [0.61^{th} of a heavenly day on LORD's calendar] the first verses of Islam were revealed. Though Prophet Mohammed is known to be an Arab, and there is no record of Him being of Turkic origin [however, Mustafa Kemal Ataturk did support the thesis that claimed the Turkish roots of Prophet Mohammed], Martin Luther [1483-1546], who initiated the "Protestant Reformation", called him the "Turk".

In 1542, Luther read a Latin translation of the Qur'an.[161] He went on to produce several critical pamphlets on the Islamic faith, which he called Mohammedanism or the Turk.[162] Though Luther saw the Muslim faith as a tool of the devil, he was indifferent to its practice: "Let the Turk believe and live as he will, just as

one lets the papacy and other false Christians live."[163]
He opposed banning the publication of the Qur'an, wanting it exposed to scrutiny.[164]

Within the second 610 years from the first, in year 1220 AD [610 + 610 = 1220], the Mongol invader Genghis Khan, a king of Turkic origin, invaded the Islamic lands of Central Asia that paved the way for Turks' mass conversion to Islam.

Genghis Khan

The Islamic lands of Central Asia are overrun by the armies of the Mongol invader Genghis Khan (ca. 1155-1227), who lays waste to many civilizations and creates an empire that stretches from China to the Caspian Sea. However, he fails to destroy the strength of Islam in Central Asia. The Mongols first invade the Abbasid Caliphate; Bukhara and Samarkand are taken.

In year 1830 AD [610 x 3 = 1830], within the third 610 years from the year the Koran was first revealed, "The Book of Mormon is published in Palmyra, New York" [March 26, 1830].

On April 6 of the same year, "Joseph Smith and 5 others organize the Church of Christ (later renamed the Church of Jesus Christ of Latter Day Saints), the first formally organized church of the Latter Day Saint movement, in northwestern New York".

Finally, the United States Congress passed the Indian Removal Act in year 1830. The Indians who share several common words and traditions with the Turks and are believed to have arrived in North America via Siberia, Central Asia, the known homeland of Turks, were forced into mass deportations.

The Indians, the “mana” [Turkish for “the meaning”] of Americas lost their “tapu” [Turkish for “certificate of ownership”] of the land they inhabited thousands of years before the “white men” ever knew such continent even existed on Earth. Starting from 1830, the legal status of an average Indian was no better than that of a POW (Prisoner of War) in the US!

The Indian Removal Act

The Indian Removal Act, part of an American government policy known as Indian removal, was signed into law by President Andrew Jackson on May 26, 1830.[1]

The Removal Act paved the way for the reluctant—and often forcible—emigration of tens of thousands of American Indians to the West. *The first removal treaty signed after the Removal Act was the Treaty of Dancing Rabbit Creek on September 27, 1830, in which Choctaws in Mississippi ceded land east of the river in exchange for payment and land in the West. Choctaw chief (thought to be Thomas Harkins or Nitikechi) quoted to the Arkansas Gazette that the 1831 Choctaw removal was a “trail of tears and death.”[3][4] The Treaty of New Echota (signed in 1835) resulted in the removal of the Cherokee on the Trail of Tears. The Seminoles did not leave peacefully as did other tribes; along with fugitive slaves they resisted the removal. The Second Seminole War lasted from 1835 to 1842 and resulted in the forced removal of Seminoles, only a small number to remain, and around 3,000 were killed amongst American soldiers and Seminoles.[5]*

In 1823 the Supreme Court handed down a decision (Johnson v. M’Intosh) which stated that Indians could occupy lands within the United States, but could not hold title to those lands.[6]

Last but certainly not the least, other than the Golden Ratio, the 19th Psalm highlights certain geometrical shapes and concepts that are widely used in the Islamic Art:

- A circle, “the chamber”, “the firmament” - the asteroid belt
- A line, “their line” - the Equator line
- A sphere - (the Moon, the Earth, the Sun)
- A cube, “a tabernacle for the sun” - Kaaba
- A hexagon - “the honeycomb”

The denominator of the mentioned shapes is geometry. Incidentally, along with "Nutuk" ["The Speech"], “Geometri” ["Geometry"] is the title of the very book Mustafa Kemal Atatürk, the final, the 22nd, the Omega incarnation of Jesus, authored! Mustafa Kemal Atatürk [a name and a lastname composed of 19 letters, born in May 19, 1881 - 19 years from the end of the 19th century, died in 1938 - at the age of 57 ($19 \times 3 = 57$)] launched the Turkish War of Independence on May 19, 1919 [at the age of 38 ($19 \times 2 = 38$)] in Samsun, Turkey, 10 days prior to the Total Solar of the Eclipse of the Sun of year 1919 that the 19th Psalm we are now studying points at!

The 19th Book (Psalms), 19th Chapter of the Bible highlights the number six. Six “LORD”s are mentioned in it. Incidentally, $19/6 = 3.16666666666666$ [3.16 - ancient Egyptian, Indian and Chinese value for pi (“**Pi**” - Wikipedia)], and $19/36 = 0.5277$ - a very close value to what the Egyptian cubit (“elbow”) stands for (0.5230 - 0.5290 m) - [“**Cubit**” - Wikipedia].

Again, the Total Solar of the Eclipse of the Sun of year 1919 had another significance. Einstein's "General Theory of Relativity" was put to test during the eclipse and in the end Einstein was proven to be right! In other words, the Total Solar Eclipse

of the Sun that the 19th Psalm highlights brought fame and recognition to two historical figures: Einstein and Ataturk! The former is known for his "General" and "Special" Theories of Relativity" and the latter for his "Sun Language" and "Turkic History" theories!

The "honeycomb" [a geometrical shape with six corners] mentioned in the 19th Psalm, when viewed from the Islamic context explained, alludes to a miracle of Islam known as the "Honeycomb Miracle".

A honeycomb with the word "Allah" engraved on it by the bees was discovered by a Turkish beekeeper in Turkey in early 80's; at a time when Photoshop(R) and Photoshop(R) techniques were non-existent. Ever since its discovery, the Honeycomb Miracle has become one of Islam's most celebrated symbols.

While describing Islam, the 4th verse mentions the key phrase "the end of the world", and the 6th verse "the end of the heaven". In 1919, an "end of the world" panic broke loose, hinted in the **19th Psalm** with the mentioned verses:

4 Their line is gone out through all the earth, and their words to **the end of the world**. In them hath he set a tabernacle for the sun,

6 His going forth is from **the end of the heaven**, and his circuit unto the ends of it: and there is nothing hid from the heat thereof.

The End of the World Panic of 1919

According to meteorologist Albert Porta, a conjunction of six planets on this date [Dec 17, 1919] would cause a magnetic current to "pierce the sun, cause great explosions of flaming gas, and eventually engulf the Earth." Panic erupted in many countries around the world because of this prediction, and some even committed suicide.

A total solar eclipse was observed earlier that year, on May 29, 1919.

A total solar eclipse is a natural phenomenon. Nevertheless, in ancient times, and in some cultures today, solar eclipses have been attributed to supernatural causes or regarded as bad omens. A total solar eclipse can be frightening to people who are unaware of their astronomical explanation, as the Sun seems to disappear during the day and the sky darkens in a matter of minutes.

Some may even argue that the mentioned key phrase [“the end of the world”] might be signaling a future war to be fought by Muslims against an undefined, anonymous opponent that actually may bring “the end of the world”. Certain ancient texts speak of a future and a final war to be fought between the “Sons of Light” and the “Sons of Darkness” – a war that may bring the end of the world. The “Sons of Light” are depicted as those who [symbolically] worship and follow the symbol of light, the Sun [the Jews], and the “Sons of Darkness” as those who [symbolically] worship and follow the symbol of darkness, the Moon [the Muslims].

The War of the Sons of Light Against the Sons of Darkness

The War of the Sons of Light Against the Sons of Darkness is a manual for military organization and strategy that was discovered among the Dead Sea Scrolls. It is also known by the

names "War Rule", "Rule of War", and "War Scroll".

The document is made up of various scrolls and fragments including 1QM, 4Q491-496. It is possible that The War of the Messiah is the conclusion to this document.[1] More recent study suggests that 4Q491 is three separate documents all describing the same events. These scrolls contain an apocalyptic prophecy of a war between the Sons of Light and the Sons of Darkness. The war is first described as an attack by the Sons of Light, consisting of the sons of Levi, the sons of Judah, and the sons of Benjamin, and the exiled of the desert, against Edom, Moab, the sons of Ammon, the Amalekites, Philistia, and the Kittim of Asshur (referred to as the army of Belial), and [those who assist them from among the wicked] who "violate the covenant." [2] In the end, all of Darkness is to be destroyed and Light will live in peace for all eternity. The war is then described again as a conflict between the congregation of God and the congregation of men. The rest of the document is a detailed description of the events of the war and the ways in which it should be conducted.

End of Jesus' 1,900-Year Incarnation Cycle [Key phrase: his circuit [unto the] ends]

Nevertheless, year 1919 was not the date of "the end of the world" for humanity. What ended in year 1919 was not the world but the lives, the total 22 carnations Jesus had to live one by one, one after the other throughout the past 19 centuries!

The 22 fated incarnations of Jesus had to halt in 1919, 19 years after the end of the 19th century, hinted in the 19th Psalm with the verse "his circuit [unto the] ends"! The alluded "circuit" that had to end is none other than the 1,900-year

“Jesus Cycle” that hosts/grants/crowns 22 [a 22k “**gold**” – Psalms 19:10] or 24 [a 24k “**fine gold**” – Psalms 19:10] separate lives for Jesus every 1,900 years!

The 19th life of Jesus was staged in Russia. Jesus incarnated as Rasputin. Following his murder in year 1916, Jesus incarnated again, this time as Lenin who ordered the death of the Tsar who ordered Rasputin’s murder. As we shall study, his third incarnation within the 19th century [21st of the total 22] occurred in the U.S.A. As signaled in the corresponding Psalm, this time Jesus was Royal Raymond Rife – the man who cured all diseases known to man.

Finally, on May 19, 1919, ten days before the day of the total solar eclipse, Jesus incarnated once again for the last time; this time as Mustafa Kemal Ataturk, the “Father of the Turks”, the Founder of modern Turkey – the current motherland of the Turks. The year 1919 was indeed an “end of the world”, but only for LORD’s Anointed Jesus Christ who incarnated one last time in year 1919. His 22nd and final incarnation occurred 19 years after the end of the 19th century, and ten days before the first total solar eclipse of the new century, in Samsun, Turkey, on May 19, 1919.

As explained earlier, the last life, the first and the last incarnations of Jesus were destined to be lived exclusively by the LORD of Hosts Himself.

The Bible **Isaiah 44:6**

Thus saith the LORD the King of Israel, and his redeemer the LORD of hosts; I am the first, and I am the last; and beside me there is no God.

The Koran **57 th Chapter**

[57.3] He is the First and the Last and the Ascendant (over all) and the Knower of hidden things, and He is Cognizant of all

things.

The first life, the very first incarnation was lived in the body, under the name of Jesus Christ. The 22nd and last life was lived [19 centuries after the first, and 19 years after the end of the 19th century] in the body, under the name of Mustafa Kemal Ataturk, the “Father of the Turks” - the historic leader who fought against the imperialist forces of the day, saved a race, built a new republic and had a name and a lastname that were composed of 19 letters.

At the end of His miraculous series of lives, Jesus was all. He started His journey, His first life as a Jew [Jesus of Nazareth] lived by the LORD of Hosts Himself, centuries later continued His cycle of lives as an Arab [Prophet Mohammed], and ended it as a Russian [Rasputin], a Jew and a Turk [Lenin], an American [Royal Raymond Rife] and finally the “Father of the Turks”, a Turk [Mustafa Kemal Ataturk].

His final four lives, the 19th to 22nd incarnations, were “worn” all at once - commemorating His spectacular series of lives with one stunning finale! At the end of the 1,900-year incarnation cycle, by the end of the 19th year of the 19th century, the past, the present and the future of human history were already co-written exclusively by the LORD of Hosts and His Anointed Jesus Christ alone! After a pause of Kaf years [100 years or a century] the new 1,900 year cycle will start again; in year 2019, at exactly 100 years after the end of the first one that ended in 1919!

In other words, the new “Jesus Incarnation Cycle” is destined to start precisely in year 2019 - the year that the 119th Psalm points at, 19 years after the end of the second millennium following Christ’s birth! As the “First” and the “Last” the LORD of Hosts will live the first new life of the new “Jesus Cycle” once again! Just like the previous cycle, the new cycle will offer yet another 22 new lives for Jesus Christ, plus two more - a total of 24 lives! No wonder the 119th Psalm that points to year 2019 events mentions the name “The LORD” 24 times! The 119th Psalm, is the longest Psalm, and is the longest Chapter of the

Bible [and the first one that follows its middle, center chapter – the 118th Psalm].

The final incarnation of Immanuel – a life destined to be lived by the LORD of Hosts Himself, is first signaled in the 17th Psalm (that points to year 1917 AD - a year after Rasputin's death):

Psalms 17:

15 As for me, I will behold thy face in righteousness: I shall be satisfied, **when I awake, with thy likeness.**

The good news of Immanuel “awaking” to life (incarnating) one last time with LORD's “likeness” was given at the end of his 19th life lived under the name and within the body of Grigori Rasputin – “blessed [is] man that walketh...” of the 1st Psalm. The final four [19th to 22nd] incarnations of Jesus were all too simultaneous!

We first saw him as Rasputin, the “blessed man that walketh”. He then was “made” or turned into Lenin, **“the head of the heathen”** [atheists, Communists] who ordered the death of the Tsar who had arranged Rasputin's murder. Then, as we shall study in detail, in his third life, he was Royal Raymond Rife who tried to save mankind from all kinds of deadly diseases. During his final and 22nd incarnation he was Mustafa Kemal Ataturk [a name and lastname composed of 19 letters], the Founder of the Turkish Republic, who, as hinted in the 17th Psalm would reveal the “likeness”, the “face”, the “glory” of the LORD!

Again, the final incarnation of Immanuel – a life destined to be lived by the LORD of Hosts Himself, is first signaled in the 17th Psalm (that points to year 1917 AD - a year after Rasputin's death):

Psalms 17:

15 As for me, I will behold thy face in righteousness: I shall be satisfied, when I awake, with thy likeness

Jesus was to awake (incarnate) with the “likeness” of the LORD and “behold” His “face”. In other words, the facial mask Jesus would wear in his upcoming incarnation was to reveal the “likeness”, the “face” of the LORD! The word “speech” mentioned in the 19th Psalm is the very title of the book authored by Ataturk! Ataturk delivered his “Speech” [“Nutuk” in Turkish, a perfect equivalent of “Speech” in English] at the Turkish Parliament from 15 to 20 October 1927, in 6 days, 36 hours – hinted in the 19th Psalm with the key phrases: **“The glory of God”, “day unto day uttereth speech”!**

*In October 1927 Mustafa Kemal Pasha, the later Ataturk, delivered a speech to the congress of the Republican People’s Party (RPP). **All in all, his speech at the congress, known in Turkish historiography simply as Nutuk (Speech), would take 36 hours and 33 minutes, spread out over six days.***

19th incarnation of Jesus was extremely important, just as number 19 is, was and will always remain. Jesus not only lived four “lives” in it, he also moved his incarnation counter to 22 – consuming all there was “anointed” to him including the last one.

He “used up”, consumed his incarnation quota! The final one, the 22nd incarnation was reserved exclusively for the LORD of Hosts, and lived by Him in the body and under the name “Mustafa Kemal Ataturk” for 19 years.

In other words, by the end of the 19th century, the gauge of incarnation pointed to number 22 already! There were no more incarnations left to be fulfilled.

The 22 total lives Jesus Christ lived as 22 separate historic figures within the past 19 centuries closed an era and ended a cycle that we calculate to be 1,900 years long [19 x 100 years] since the first birth of Christ. In year 1919 [19 x 101], it was all over. The 1,900-year long “re-birth” cycle of Jesus Christ ended at the 22nd incarnation that was destined to be lived by the LORD of Hosts Himself – lived under the name “Mustafa Kemal Ataturk” across various cities of Turkey between the years 1919 and 1938 [a duration of 19 years]; but most importantly in the cities of **Istanbul**, **Samsun** and **Ankara** in chronological order. The initials of the cities “Istanbul”, “Samsun”, and “Ankara” that had the greatest impact on Ataturk’s career during the last 19 years of his life form the word “**Isa**”: the very name of Jesus in the Koran and in the Islamic world!

The verse “**which is as a bridegroom coming out of his chamber**”, as we have seen, alludes to Prophet Mohammed who received his first revelation in the Hira Cave [“chamber”]. The same verse alludes to Mustafa Kemal Ataturk as well, the very man who “rejoiceth as a strong man to run a race” just the same. Starting on May 19, 1919, the “race” Ataturk would rule and run were the Turks - the very day Ataturk debarked from his “chamber”, his compartment in the “Bandirma” Steamboat.

Though the two historic figures are 1,311 years [digits add up to number six!] apart from one another based on their date of births, what they went through as two statesmen, what they achieved politically and established socially were similar. Prophet Mohammed was the 6th incarnation of Jesus Christ, founded the religion of Islam, ruled the Arab nation and was the Commander in Chief of their army. So was Ataturk, the final incarnation of Jesus Christ, a “name” lived by the LORD of Hosts Himself, the Founder of the Republic of Turkey, the

Commander in Chief of the Turkish Army and the first President of the Turkish “race”.

Finally, in year 1919, the year the 19th Psalm points at, the **“bridegroom”** mentioned in the verses [**“Which is as a bridegroom coming out of his chamber”**] alludes to none other than Damat Ferit Pasha, Turkish for “Bridegroom” Ferit Pasha, who had married one of the daughters of the Sultan Abdulmecid I and thus gained the title “damat” or “bridegroom”.

In 1919, Damat [“bridegroom”] Ferit Pasha was the grand vizier of the Ottoman\Turkish Empire. He was disliked by the Turkish people at large, and his unofficial alternative, the de-facto prime minister, the true vizier of Anatolia or Anavatan [“Motherland”] was to be none other than Mustafa Kemal [Ataturk] Pasha who rivalled the “bridegroom” of Istanbul [Constantinople] – the very man whom he had to work for.

With the resignation of Damat [Bridegroom] Ferit Pasha on May 16, 1919 [the very day Ataturk left Istanbul for Samsun on board the Bandirma Steamboat as the Inspector-General of 9th Army], Mustafa Kemal Pasha emerged as the national hero, the true vizier Anatolia was most ready to welcome. Upon his arrival in Samsun, Turkey on May 19, 1919 he would launch the Turkish War of Independence. In other words, when Ataturk debarked from his compartment [“chamber”] in the Bandirma Steamboat, he was the new “bridegroom”, the de-facto grand vizier of the Turks [**“Which is as a bridegroom coming out of his chamber”**].

The verse “In them hath he set a tabernacle for the sun” alludes not only to the Kaaba but also to Anitkabir [“Memorial Tomb”] built for Ataturk following his death – the “tabernacle” of those who view Ataturk as the sun that enlightened the darkness of the Turkish people.

Ataturk died on the 10th day of the 11th month of 1938 [19 and 19 x 2] at 09:05 AM. He suffered from liver ailment. The entire 38th Psalm is reserved for his death, describes his final hours and the pains he suffered from prior to his death!

Psalms 38:

[Points to year 1938 events - the year Atatürk died.]

5 My wounds stink and are corrupt because of my foolishness.

6 I am troubled; I am bowed down greatly; I go mourning all the day long.

7 **For my loins are filled with a loathsome disease:** and there is no soundness in my flesh.

8 I am feeble and sore broken: I have roared by reason of the disquietness of my heart.

10 My heart panteth, my strength faileth me: **as for the light of mine eyes, it also is gone from me.**

11 My lovers and my friends stand aloof from my sore; and my kinsmen stand afar off.

12 They also that seek after my life lay snares for me: and they that seek my hurt speak mischievous things, and imagine deceits all the day long.

17 **For I am ready to halt,** and my sorrow is continually before me.

Divine Numbers

19 and 22

The Number 22

The 19th Book of the Bible, the Book of Psalms starts with the verse "Blessed is the man that walketh... ". Rasputin travelled, on foot, to Jerusalem and Athens, Greece the year the first Psalms points at – in year 1901. The entire 150 verses of the Psalms, at its fourth and final layer, are devoted to him – to Immanuel, Jesus Christ.

In other words, the very first verse of the Book of Psalms declares the dedicated deity and the official address of the 3,000-year-old verses. It is no other than Jesus Christ - the Man who died not! Jesus Christ: the supernatural, the phenomenal, if not the extraterrestrial. As his biblical name "Immanuel" clearly defines: "The Lord" who "is with us"!

Contrary to the Christian view and belief, Immanuel is never called “the son of God” anywhere in Psalms. Never does he call the LORD “my Father” either. The LORD is called “Shamash” [“The Sun”] in ancient Sumerian texts, and is depicted as the Sun on Egyptian obelisks and monuments just the same. Even on Jewish Menorahs, the LORD is depicted as the center candle, branch, or arm called “Shamash” [“The Sun”].

Immanuel’s biblical title is not the “Son” but rather the “Anointed” of the LORD. “Son of the Sun” or “Son of God”, as we have studied in year 1902, is a phrase used only for kings that ruled the world during the period of their reign and had an army at their disposal. As we have illustrated, a “Son of God” is always coronated to the throne seven years after an 88-year syzygy – a planetary alignment.

The second and the final syzygy of the 19th century was observed in year 1894. Seven years after the 1894 Syzygy, in year 1901, King Edward VII stepped up to the throne. A year later in 1902, he was coronated as the “King of the United Kingdom and the British Dominions, Emperor of India” - hinted in the **2nd Psalm** with the verse and key phrases that read:

“I will declare the decree: the LORD hath said unto me, Thou art my Son; this day have I begotten thee”.

The ancient concept of “Son of God” was clear. The “Son of God” could never be chosen among ordinary men. Regardless of his name, the King born to God as His Son had to be the King that ruled not only his nation but also the world.

King Edward VII was no different. He was to rule the UK, thus the world, as the British Empire was one of the superpowers of the day, if not “the” superpower of the late 19th and early 20th centuries.

88 years after the 1894 Syzygy (planetary alignment), in year 1982, another syzygy was observed in the heavens. The 1982 Syzygy gave birth to another Son of God, this time in the United States, [one of the two superpowers of the time] namely

George H.W. Bush, again seven years after the syzygy of 1982, in year 1989. Bush took office in 1989 and served as a president till 1993, hinted in the **89th Psalm** with the verses:

26 He shall cry unto me, Thou art my father, my God, and the rock of my salvation.

27 Also I will make him my firstborn, higher than the kings of the earth.

For a correct and accurate interpretation of each and every verse of the Book of Psalms the key needed was one: the name of Immanuel - Jesus Christ! And his number, twenty-two!

Incidentally, there are twenty-two letters in the Hebrew alphabet. The Psalm that describes the first [AD/CE] death [Crucifixion] of Jesus Christ is also numbered 22 ["... **they pierced my hands and my feet.**" - Psalms 22:16].

The entire context of the 22nd Psalm that points to year 1922 AD events reports in full detail how Jesus was crucified on the cross. Jesus was not crucified on the cross in year 1922 AD, however when we subtract the mentioned 1,900-year Jesus/Immanuel cycle out of 1922, we end up at year 22 AD – the year of Jesus' first death! 1,900 years from 22 AD, in year 1922 AD, Jesus died another death, this time as the Pope of the Church that he personally founded; as Pope Benedict XV who died on January 22, 1922. [Notice the significance of 22, the number of Jesus, in Pope Benedict XV's date of death.]

The Number 19

The 19th Book of the Bible, Psalms highlights yet another divine number to note: number 19! The number 19 is the number of the LORD just as number 22 is the number of Jesus Christ – Lord's "Anointed".

Isaiah 44:6:

Thus saith the LORD the King of Israel, and his redeemer the LORD of hosts; I am the first, and I am the last; and beside me there is no God.

“I am the first, and I am the last” declares the Lord. In our decimal system number one marks “the first” and number nine marks “the last” figure! One plus nine makes a ten. One “and” nine [“Alpha and Omega”] make a “19”! [1 “and” 9 = 19]. [Number zero was not “discovered” or put to use up until the 10th century AD.]

It is with this “light” of the sacred number “19” that we were able to decode the hidden message of the Psalms! When we realized the holiness of the number 19, we counted the Books of the Bible and started at the 19th one.

The 19th Book of the Bible was no other than the Book of Psalms. It is then we immediately realized how the 19th Book was extraordinary, special and “holy”, just as the number assigned to it, number 19, was destined to be since time immemorial.

Finally, it did not take us too long before we found out that Psalms was the very Book of the Bible that enlisted all major events bound to happen between years 1901 AD and 2050 AD within its 150 Chapters! 19th Book of the Bible and 19 centuries since the [first] birth of Immanuel, Jesus Christ were next to one another!

19th Book of the Bible [Psalms] plus eight years [19+08=1908] enlisted the major events of the year 1908 AD as we have exhibited.

In our year 1908 and 1918 studies, we argued that the LORD landed or hovered above Tunguska, Russia so that He could visit “son of man” in person.

So far, the number 19 had always been our main guide in our mission to decode the hidden, secret message of the Psalms.

The number 19 unlocks not just the message of the Psalms, but the hidden message of several Books of the Bible, including Isaiah, one of the most quoted and respected Books of the Old Testament!

When we add a 19 before certain verses of Isaiah, we get detailed descriptions of certain events mentioned in the Psalms at parallel years of reference!

Take Isaiah 8:8. When we plug-in the number “19” before the 8th Chapter of Isaiah, we end up with year 1908 [19 + 08 = 1908] – the year of the Tunguska Explosion:

Isaiah 8:

8 And he shall pass through Judah; he shall overflow and go over, he shall reach even to the neck; and the stretching out of his wings shall fill the breadth of thy land, O Immanuel.

Isaiah 8:8 is one of the two verses that the word “Immanuel” [Jesus Christ] is mentioned within the entire Old Testament.

Isaiah 8:8 describes the “name”, the spaceship of the LORD [alternative definition of the Hebrew word for name – “shem”] mentioned in the 8th Psalm, and explains further how “the stretching out of his wings shall fill the breadth of thy land, O Immanuel”!

What did stretch out his wings in year 1908 that “fill[ed] the breadth of Immanuel’s land”? The Name of the LORD! The spaceship of the LORD that either landed or hovered above the site of Tunguska in 1908, in the land of Immanuel [Rasputin] who at the time was living in Russia, the “land” of the Tunguska Explosion.

As illustrated, certain details of the events mentioned in the verses of certain Psalms can also be obtained from other Books

of the Bible when and once a parallel year of reference is established!

19th Book, 8th Chapter of the Bible [Psalms, Chapter 8] points at year 1908 AD events. The 8th Chapter of Isaiah illustrates the year 1908 Tunguska Event further.

All we did was to plug-in the holy number 19 before the 8th verse of Isaiah to find out more about year 1908 AD events that the 8th Psalm already reported in lesser detail!

In order to understand the message of Isaiah 8 fully, we need to be aware of the status quo of world politics of the day. In year 1908, the Ottoman and the Russian Empires were at the edge of sinking down in the annals of history due to the 1908 Young Turk and the 1905-1907 Russian Revolutions that displaced the foundations of the two empires, their Sultan and Tsar respectively.

Also note that within the very month of the Tunguska Explosion, the “Son of God” King Edward VII was visiting his cousin Tsar Nicholas II of Russia. They were accused of discussing the partitioning of the Ottoman [Turkish] Empire.

Finally, the Bolsheviks were busy trying to establish a “Union of the Soviets/Bolsheviks” within Russia the same year. The 12th verse of Isaiah 8 speaks of a “confederacy”.

The dictionary definition of “confederacy” is:

con·fed·er·a·cy (kn-fdr—s)
n. pl. con·fed·er·a·cies

1.

a. *A union of persons, parties, or states; a league.*

b. *The persons, parties, or states joined in such a union.*

c. *Confederacy The Confederate States of America.*

2.

A group of people who have united for unlawful practices; a conspiracy.

<http://www.thefreedictionary.com/confederacy> - Accessed Dec. 21, 2010.

* * *

The Bolsheviks, the Soviets also known as Communists were talking of forming a “confederacy”, a “union” - the Soviet Union in 1908!

Isaiah 8:

9 Associate yourselves, O ye people, and ye shall be broken in pieces; and give ear, all ye of far countries: gird yourselves, and ye shall be broken in pieces; gird yourselves, and ye shall be broken in pieces.

10 Take counsel together, and it shall come to nought; speak the word, and it shall not stand: for God is with us.

11 For the LORD spake thus to me with a strong hand, and instructed me that I should not walk in the way of this people, saying,

12 Say ye not, A confederacy, to all them to whom this people shall say, A confederacy; neither fear ye their fear, nor be afraid.

The “blessed” man mentioned in the first Psalm, the “Lord” who is “with us” was Immanuel, better known to us as Jesus Christ.

Isaiah 7:

14 Therefore the Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call his name Immanuel.

15 Butter and honey shall he eat, that he may know to refuse the evil, and choose the good.

In year 1908, Immanuel, Jesus Christ was living a life under the name and within the body of Rasputin.

Isaiah 7:

18 Behold, I and the children whom the LORD hath given me are for signs and for wonders in Israel from the LORD of hosts, which dwelleth in mount Zion.

Rasputin had four children in 1908. As reported in the above verse, “I and the children whom the LORD hath given me are for signs and for wonders in Israel from the LORD of hosts”.

If Jesus Christ is “born again” or incarnated once every century, his birth in 1869 within the 19th century and his life within the body and under the name of Rasputin would mark his 19th incarnation ever since his first birth to Virgin Mary. By the year 1908, he already had been born 19 times and was busy living his 19th life!

Revelation 22:13:

I am Alpha and Omega, the beginning and the end, the first and the last.

Now, when we plug-in the holy number 19 before the above verse of another Book of the Bible, Revelation, we end up at year 1922 [19 and 22nd Chapter of Revelation = 1922] – the 1,900th commemoration year of Jesus Christ’s Crucifixion on the cross.

If we re-read the verse, we immediately realize that the first and the last (22nd) incarnations of Christ were destined to be “lived” by the LORD of Hosts Himself! Thus the name “Immanuel” – “the LORD is with us”!

The Number 19 and 22

Revelation 22:

12 And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be.

13 I am Alpha and Omega, the beginning and the end, the first and the last.

The 22nd Psalm illustrates the Crucifixion of Christ. There are 22 letters in the Hebrew alphabet.

Rasputin's formal name "Grigori Yefimovich Novik" is composed of 22 letters!

The LORD “redeemeth” [saved, rescued, vitalized, re-animated] the “soul of his servants” as declared in the 22nd verse of the 34th Psalm.

Psalms 34:

22 The LORD redeemeth the soul of his servants: and none of them that trust in him shall be desolate.

In other words, 22nd verse of the 34th Psalm highlights the vitalized [re-born] souls of Lord’s “servants”. The servants of the LORD would never be “desolate” – would never die! [A permanent death.]

The number 22 is a significant number in the Psalms, so is the 22nd Psalm that describes the [first] death, the Crucifixion of Jesus Christ. There are 22 letters in the Hebrew alphabet. A total of 22 incarnations were fated for Christ ever since his [first] birth to Virgin Mary. In other words, and in simple math, the number 22 equals Jesus Christ!

The first and the last [22nd] incarnations of Immanuel were destined to be lived exclusively by the LORD of Hosts - "the beginning and the end; the first and the last"!

The Jubilee Year, the holiest day of the Jews, is observed every fifty years. The LORD visits the Earth on the 46th and the 96th years of every century as hinted in the 46th and 96th Psalms that point to years 1946 and 1996 respectively with the verse: "The LORD of hosts is with us" - the same phrase that defines the meaning of Christ's biblical name "Immanuel".

As we have illustrated in our year 1946 study [**Psalms Code, Volume I**], the LORD visited the Earth in 1946, stayed for a year and left the Earth in 1947 as signaled in the 47th Psalm with the verse "**God is gone up with a shout, the LORD with the sound of a trumpet**". His second visit followed fifty years later in 1996.

The LORD visits the Earth every fifty years [**"The LORD of hosts is with us"** - Psalms 46:7]. That is why the Jews observe a Jubilee Year every fifty years. The LORD visited the Earth in year 1996 [50 years after 1946] just the same [**"for he cometh to judge the earth"** - Psalms 96:13], and is highly likely to visit the Earth again fifty years later, in 2046 AD! [**"he returneth to his earth"** - Psalms 146:4]. Not surprisingly, a fifty-year tsunami cycle is observed on Earth at or near Jubilee Years since time memorial.

Jesus incarnated once every hundred years; more often than not 77 years before the two Jubilee Years of the century in question. Rasputin was born in year 1869; 77 years before the first Jubilee Year of the 20th century (year 1946).

As we shall study, Prophet Mohammed was born in year 570 (569 to some accounts); 76 or 77 years before the first Jubilee Year of the 6th century (year 646)!

However, as the number of the LORD the 19th incarnation had to be special. And special, it was. Within and right after the end of the 19th century Jesus lived not one, not two, not three but four lives as reported in the verses of the corresponding years of Psalms!

Finally, the 22nd, the last letter in the Hebrew alphabet is Tav. Like the number 22, Tav has a peculiar significance.

Significance of Tav

In Judaism, Tav is the last letter of the Hebrew word emet, which means truth.

The midrash explains that emet is made up of the first, middle, and last letters of the Hebrew alphabet (Aleph, Mem, and Tav: ???).

Sheqer (falsehood), on the other hand, is made up of the 19th, 20th, and 21st (and penultimate) letters.

**http://en.wikipedia.org/wiki/Taw#Significance_of_Tav -
Accessed Dec. 21, 2010.**

* * *

According to the Midrash perspective, the first, the middle and the last lives of Immanuel would have to declare “emet” – the truth! As we have seen, the first and the last [22nd] lives of Immanuel were destined to be lived by the LORD of Hosts – the “Emet”, the Truth Himself!

As expected and as foretold, the first life was lived as “Jesus Christ” by the Lord of Hosts Himself. He came to life as a human boy who miraculously was born to a virgin!

Following a series of lies and betrayal, the Romans and the Jews of the day killed him by nailing him to the cross. What they thought they murdered at that point in time was a false messiah. If only they knew they crucified the LORD of Hosts Himself who only appeared human! Jesus Christ was the LORD of Hosts living the first incarnation of Jesus Christ, as Jesus Christ, in the body of Jesus Christ!

Without a shadow of a doubt, The LORD of Hosts is invincible! "I live for ever" [Deuteronomy 32:40] says the LORD. The "ordinary" man the Romans and the Jews thought they killed at that point in time had another twenty-one spare lives in his pocket! Not one, not two but another twenty-one lives! If only the persecutors knew!

The apparent historical dispute between the Jews and the Vatican, the Jews and the Muslims may be due to the simple fact that Jews killed Jesus Christ at his first life – a life that was destined to be lived by the LORD of Hosts Himself!

The LORD of Hosts who personally had to die the first death of Jesus never forgave those who attempted to kill Him! No wonder, both Christianity [Vatican] and Islam (religions both established by Jesus Christ during his first and sixth incarnations respectively) distance themselves from the Jews, who until their "Ultimate Sin" have always been viewed as the Lord's "Chosen Ones". In return and retaliation for attempting to murder the Lord, the Jews had to burn in fierce ovens, suffer mass deportations, racial prejudice and discrimination ever after.

When Christians call Jesus Christ "the LORD", they are not insisting on a deliberate mistake. The term is right, but only for the 1st and the 22nd incarnations – the only incarnations destined to be lived by the LORD of Hosts Himself!

Parallel to the Midrash perspective quoted, another true incarnation, the "middle", the 11th one within the total of 22 was

lived within the body and under the name Yusuf Khas Hajib, the author of one of the earliest Turkish texts "Kutadgu Bilig".

Yusuf Khas Hajib

Yusuf Balasaghuni or Yusuf Khas Hajib Balasaghuni (full name: Yūsuf Khāṣṣ Ḥājib Balasaġuni; Uyghur: ????? ??? ????? [dʒusup balasa'ʁun]; Turkish: Yusuf Has Hacıp) was an 11th century Uyghur scribe from the city of Balasaghun, the capital of the Karakhanid Empire. He wrote the Kutadgu Bilig and most of what is known about him comes from his own writings in this work.

Balasagun was located near present-day Tokmok in Kyrgyzstan. Yusuf Khas Hajib was about 50 years old when he completed the Kutadgu Bilig. After presenting the completed work to the prince of Kashgar he was awarded the title Khāṣṣ Ḥājib, an honorific similar to "Privy Chamberlain" or "Chancellor".

He is often referred to as either Yūsuf Balasaguni or Yūsuf Khāṣṣ Ḥājib. Yusuf Khas Hajib died in 1085 at the age of 66 in the Uyghur city Kashgar, and was buried there. There is now a mausoleum erected on his gravesite. He is remembered as a prominent Uyghur scholar.

Yusuf Khas Hajib was about 50 years old when he completed writing Kutadgu Bilig. He was born in 1019 AD. In other words, Kutadgu Bilig was completed in year 1069 AD.

We have observed a pattern that is valid for most of Jesus' incarnations. Prophet Mohammed was born on the 70th year of the 6th century. Rasputin was born on the 69th year of the 19th century. So was Lenin – born on the 70th year of the same century. Yusuf Khas Hajib was born on the 69th year of the 11th century – not physically but metamorphically with the release of his book Kutadgu Bilig.

Except for the Alpha [first] and Omega [last] incarnations that were reserved for the LORD of Hosts, almost all incarnations of Jesus had something going on on the 69th or the 70th year of the century they lived in. The 69th or the 70th year of any century usually marked the birth of a new incarnation of Jesus! In order to identify the historic character that may have been a past incarnation of Jesus Christ, we need to look into the 69th or the 70th year of the century at hand. That is exactly what we did when we searched for the “middle”, the 11th incarnation of Jesus. We studied the year in question, year 1069-1070 AD, and the answer was sitting there waiting for us to explore further. 1069 was the year Kutadgu Bilig was released.

Kutadgu Bilig, “Wisdom Which Brings Good Fortune” is not an ordinary text. The Turkish word “kut” stands for “luck” also means “God”. When we view the entire work from the context we are in, Kutadgu Bilig may very well be titled “Wisdom Which Brings God”!

All we did was to replace “Good Fortune” with the word “God” – the second meaning of “kut” in Turkish. God [Kut] has inspired another piece of scripture in year 1069, this time to Yusuf Khas Hajib, the 11th and the middle incarnation of Jesus [out of the total of 22]. Kutadgu Bilig ranks with Psalms, but not much thought has been spared for it in known history.

Take the 19th “bab” [section] of Kutadgu Bilig, titled:

“Full Moon explains the virtues of the tongue”

The Full Moon, the God, or the religion that is represented by the symbol of a Moon “explains the virtues of the tongue” – the language!

The number 19 is the number of the LORD. Out of 85 total babs/sections, it is in 19th bab that we run into the concept of God revealing secrets about how language came to be, how it evolved or developed in humans! Furthermore, the 22nd “bab” [section] reads:

“Full Moon’s admonition to his son Highly Praised”.

22, as we have studied, is the number of Jesus Christ. The very 22nd bab/section of Kutadgu Bilig talks about God’s [Full Moon’s] “admonition to his son Highly Praised”!

Yusuf Khas Hajib is highly likely to be the 11th incarnation of Jesus Christ. As he most often does, Jesus made himself known on the 69th or the 70th of the century at hand again; this time in year 1069 AD as Yusuf Khas Hajib, the author or the scribe of Kutadgu Bilig.

When we keep on reading the titles of the remaining 83 babs/sections of Kutadgu Bilig, we immediately realize that there is more to Kutadgu Bilig than what meets the eye. The entire work tries to explain the celestial mechanisms behind man's existence, past, present and future.

Kutadgu Bilig starts with the bab/section "In praise of God", and continues with the next bab/section "In praise of the Prophet" and ends with the two section headings titled:

Highly Praised mourns for Wide Awake.

The king consoles Highly Praised.

Just reading through the section headings of Kutadgu Bilig will reveal several references to God, Jesus, incarnation cycle and even the Dalai Lamas.

The reported history of the Dalai Lamas starts in 1300's. Like the Pope who serves as the head of the Church that is seated upon a holy hill of the LORD (the Vatican), the Dalai Lamas serve as the head of Tibet – the site of another "holy hill" of the LORD (Tibet).

Parallel to our "first and last incarnations to be lived by the LORD of Hosts" thesis, the 14th Dalai Lama, the current leader of Tibet announced that he could be the last Dalai Lama!

In the mid-1970s Tenzin Gyatso, The Fourteenth Dalai Lama, told a Polish newspaper that he thought he would be the last Dalai Lama.

In a later interview published in the English language press he stated "The Dalai Lama office was an institution created to benefit others. It is possible that it will soon have outlived its usefulness." [39]

The new incarnation cycle which will host not 22 but 24 brand new lives for Immanuel is near. Year 2019 is only nine years away! The first 1,900-year cycle of Jesus started with his birth to Virgin Mary and ended with the life and death of Mustafa Kemal Ataturk. No new incarnations of Immanuel or re-incarnations of the Dalai Lama are due until the year 2019 AD, and in the case of the Dalai Lamas, possibly even after the year 2019!

Finally, according to Midrash, **“Sheqer (falsehood) is made up of the 19th, 20th and 21st (and penultimate) letters”**. The 19th, 20th and 21st lives, then, had to be counted as “false”, void, insignificant!

In other words, the 19th, 20th and the 21st lives Immanuel lived under the names “Rasputin”, “Lenin” and “Royal Raymond Rife” respectively failed to bring beneficial results for humanity and thus had to be ranked and filed as “false”, void or insignificant incarnations.

The 119th Psalm [a 100 plus 19] that points to year 2019 events is the longest Psalm and hosts the word “The LORD” 24 times.

Year 2019 will mark the start of a new 1,900-year-long incarnation cycle for Immanuel, this time offering him 24 lives. As declared in the mentioned verses, the first life or incarnation will exclusively be lived by the LORD of Hosts Himself again who personally has declared to be “the first and the last”!

When we study the first life of Jesus Christ lived 1,900 plus 100 years ago, we can guess what the first life out of the 24 new ones due may bring to all mankind.

During his first life, Jesus Christ, or Immanuel (“Lord is with us” as He is called in the Old Testament), established a new

religion that we call Christianity. Much like the biblical Patriarch Jacob who had 12 sons (who in return grew up to be the patriarchs of the 12 tribes of Israel), Jesus had 12 disciples who personally established the Church “the body of Christ” across the globe immediately following His Crucifixion.

Thus and therefore, the all new 1st life of Immanuel due to be unveiled in year 2019 may just reveal another religion to mankind. Year 2019 - the year the 119th Psalm points at, gives several clues about the new content and the 24 incarnation characters of the new Jesus/ Immanuel Cycle.

The 119th Psalm is the longest Psalm and hosts the word “The LORD” 24 times, hinting a brand new cycle of a total of 24 incarnations for Immanuel. The very first and the last lives, in this case the 1st and the 24th ones will be exclusively lived by the LORD of Hosts Himself!

As of today, year 2010, we can safely conclude that we are living in a historic era. Just nine years from today, in year 2019, Immanuel, “the LORD” who “is with us” shall un-veil His 1st life and incarnation; the life that will kick off His new 1,900-year cycle of 24 brand new lives/incarnations.

Whether we will see Him, [in all His Glory] as a spiritual or a political leader, a hero of a nation or a prophet of a new religion still remains to be awaited till the year 2019.

To sum it up, Psalms report the major events destined to happen on Earth between the years 1901 and 2050 AD. The new 24 lives long incarnation cycle of Immanuel is scheduled to start in 2019 AD. Moses highlights years 2060 and 2070 AD respectively in the 90th Psalm – the Millennium Psalm, which reads “[in year 2060 or 2070 AD] ... and we fly away”. Year 2070 AD will host the first syzygy [planetary alignment] of the 21st century. Finally, in year 2150 AD, the Age of Pisces will end and the Age of Aquarius will start.

Psalms Confirm the Koran

The 150 Chapters of the 19th Book of the Bible known as Psalms ["Tehilim" in Hebrew - "Praises"] allude to world events destined to take place between the years 1901 AD and 2050 AD.

The 114 Chapters, "Suras" of the Koran are no different! The Koran [known for its miracle, the network of the number 19 across its verses] reports world events destined to happen between years 1901 AD and 2014 AD just the same!

As we have seen, the number 19 is the Number of the LORD ["1", the First and "9", the Last = 19].

The Bible **Isaiah 44:6**

Thus saith the LORD the King of Israel, and his redeemer the LORD of hosts; I am the first, and I am the last; and beside me there is no God.

The Koran **57th Chapter**

[57.3] He is the First and the Last and the Ascendant (over all) and the Knower of hidden things, and He is Cognizant of all things.

Both the Book of Psalms and the Koran report major world events destined to happen on Earth on a year by year basis. Both Books refer to events [at certain times all at once] destined to occur within the 20th and the 21st centuries - the timeframe that started with the end of the 19th century! Psalms enlist a total of 150 years of events, whereas the Koran reports a total of 114 years.

Let's pick a random year, say year 2001 and see what the Psalms and the Koran reveal about the year of the 9/11 attacks.

The Psalm spared for year 2001 is Psalm 101. The “Sura”, the Chapter of the Koran spared for year 2001 events is numbered the same – the 101st Sura!

The 101st Chapters of both Holy Books report the events bound to happen in year 2001!

The 101st Sura/Chapter of the Koran spared for year 2001 events is titled “Calamity” – disaster! The entire Sura/Chapter reports the 9/11, the September 11 attacks of 2001 in vivid detail!

The Koran
Calamity

[101.3] And what will make you comprehend what the terrible calamity is?

[101.4] The day on which **men shall be as scattered moths,**

[101.5] And the **mountains shall be as loosened wool.**

[101.10] And what will make you know what it is?

[101.11] **A burning fire.**

Could the Koran be any clearer? The “**mountains**” alluded that “**shall be as loosened wool**” are no other than the twin towers of the World Trade Center that collapsed during and as an aftermath of the 9/11 attacks!

We all remember the videos of the World Trade Center tenants who were throwing themselves off their windows, freefalling to the ground on the day of the attack - “**the day on which men shall be as scattered moths**”!

And how would we be sure the year 2001 event alluded in the 101st Sura of the Koran is the 9/11 attack? “**A burning fire**” [Koran 101.11] it was! One major fire that lasted for days!

Case closed! Clear as daylight! The Koran, just like the Psalms, has another layer! The layer where major events bound to happen on Earth within the year of reference is reported in its verses just the same!

The Psalms

Psalms 101:1 <<A Psalm of David.>> I will sing of mercy and judgment: unto thee, O LORD, will I sing.

2 I will behave myself wisely in a perfect way. O when wilt thou come unto me? I will walk within my house with a perfect heart.

3 I will set no wicked thing before mine eyes: I hate the work of them that turn aside; it shall not cleave to me.

4 A froward heart shall depart from me: I will not know a wicked person.

5 Whoso privily slandereth his neighbour, him will I cut off: him that hath an high look and a proud heart will not I suffer.

6 Mine eyes shall be upon the faithful of the land, that they may dwell with me: he that walketh in a perfect way, he shall serve me.

7 He that worketh deceit shall not dwell within my house: he that telleth lies shall not tarry in my sight.

8 I will early destroy all the wicked of the land; that I may cut off all wicked doers from the city of the LORD.

The 101st Psalm spared for year 2001 AD events provides yet another detailed account of the 9/11 attacks as seen from the eyes of the US President of the day – George W. Bush, who promises to “walk within [my] house with a perfect heart”. The house alluded is none other than the White House!

The verse that reads “**I will set no wicked thing ...**” alludes to the President’s refusal of the secret plan to knock down the two towers of the World Trade Center!

“**I hate the work of them that turn aside**” reads the next verse in allusion to the aircrafts that [as planned] “turned aside” vertically [for maximum damage] before they crashed into the two towers of the WTC. “**It shall not cleave to me**” reads the verse hinting that the White House was planned to remain unharmed after the attacks right from day one!

“**Whoso privily slandereth his neighbour, him will I cut off**” reads the 5th verse hinting that the 9/11 attacks were an inside job, a “**privily**” [privately] planned attack by an US government officer who had a “**high look**” and “**a proud heart**”.

The man in charge of the “calamity” or who “slandereth his neighbour”, who “worketh deceit” was someone who “**dwel[s] within my house**” [the White House], who “serves” the President – a top government officer!

Another attribute of this top officer mentioned in the 101st Psalm is reported as his habit of telling lies: “**he that telleth lies**”!

High looks... A proud heart... A lying mouth... A man of deceit... With all the evidence provided, I’m sure most of us can name this very person behind the 9/11 attacks without a second thought!

The President was not in it. But he seems to have done nothing to stop him “**whoso privily slandereth his neighbour**” either.

Finally, the entire inside job is reported have been planned so that the President of the US, the Commander in Chief of the US Army could have a valid reason to invade Baghdad ("the city of the LORD") immediately following the "privily" planned 9/11 attacks!

The word Baghdad is defined as either "Fair Garden", "God's gift" or "God-given". The "**God-given**" city, "**the city of the LORD**" last verse of the 101st Psalm alludes to was no other than Baghdad, the capital of Iraq - the ancient land of the Sumerians, of history, of wealth and abundance, and of oil!

Finally, the same Psalm alludes to Saddam and his family with the phrase "**the wicked of the land**" as viewed and reported by the US President of the day.

8 I will early destroy all the wicked of the land; that I may cut off all wicked doers from the city of the LORD.

Is it not spectacular to witness the two Holy Books, the Psalms and the Koran [that are 3,000 and 1,400 years old respectively] reporting us the details, the truth behind the world events of our day?

The Psalms and the Koran are LORD's Gifts to us. As we unveil the Secret of the LORD hidden in the two Holy Books, we remain breathless.

The LORD of Hosts had it all written in the two Books thousands of years before the events "came to pass" before our very eyes!

The generosity of The LORD is beyond comparison! He provided the past, the present and the future that awaited us and had them all written, thousands of years before we actually ran into them!

The two Holy Books, the two Gifts of God enable us, the mankind, to travel within time - a feat we are still unable to

perform! A timeless, priceless gift - a gift only GOD could offer!
And offer without a tag or a price! A timeless, priceless present
that is 3,000 years old, and available at zero cost!

Chapter 4

A Brief Study of Year 1934 and the 34th Psalm

Royal Raymond Rife and the End to All Diseases

[Key phrases: Many are the afflictions of the righteous: but the LORD delivereth him out of them all, O magnify the LORD with me, What man is he that desireth life, and loveth many days, that he may see good, The righteous cry, and the LORD heareth, and delivereth them out of all their troubles, This poor man cried, and the LORD heard him, and saved him out of all his troubles]

Dr. Royal Raymond Rife “claimed that using a specially designed optical microscope, only five of which were ever constructed, he could observe a number of viruses which he thought were causal factors in several diseases, most notably cancer. Rife also claimed that a “beam ray” device could destroy or weaken the pathogens by inducing destructive resonances in their constituent chemicals.”

The key phrases “**many are the afflictions of the righteous: but the LORD delivereth him out of them all**”, “O magnify the LORD with me”, “The righteous cry, and the LORD heareth, and delivereth them out of all their troubles” allude to him.

According to the 1987’s best-selling book “The Cancer Cure That Worked”, Rife had found the cure for cancer but was “surpressed by a conspiracy headed by the American Medical Association”.

Royal Raymond Rife's medical claim which was advertised as **"The End to All Diseases"** in 1931 and ever after is highlighted in 34th Psalm with the key phrase **"Many are the afflictions of the righteous: but the LORD delivereth him out of them all"** - hinting clearly that Rife was right. The cure to cancer was found by Rife back in year 1931 and was proven in year 1934 the 34th Psalm points at.

Royal Raymond Rife

Royal Raymond Rife (May 16, 1888 - August 5, 1971) was an American inventor and early exponent of high-magnification time-lapse cine-micrography.[1][2] He claimed that using a specially designed optical microscope[3], only five of which were ever constructed, he could observe a number of viruses which he thought were causal factors in several diseases, most notably cancer. Rife also claimed that a "beam ray" device could destroy or weaken the pathogens by inducing destructive resonances in their constituent chemicals.[4] Rife's claims could not be independently replicated, and active scientific interest in the devices had dissipated by the 1950s.

*Interest in Rife's claims was revived in some alternative medical circles by the book *The Cancer Cure That Worked* (1987), which claimed that Rife's work was successful. The book also claimed that his cure for cancer was suppressed by a conspiracy headed by the American Medical Association.[5] After publication, a variety of devices bearing Rife's name were marketed as cures for diverse diseases such as cancer and AIDS.*

*In 1929 Rife was granted a patent for a high-intensity lamp for use in microscopes.[9] The micrographs and cine films of disease organisms he made with his first microscope (picture, top of page) were widely reported in the press. **On November 20, 1931, forty-four doctors attended a dinner advertised as "The End to All Diseases" at the Pasadena estate of Milbank Johnson.** This dinner was honoring Arthur I. Kendall, professor at Northwestern Medical School and developer of the "Kendall Medium" or "K-Medium," and Royal Rife, the*

developer of the "Rife microscope." Moving microorganisms from prepared, diseased human tissue were reportedly seen, still-photographed and motion pictured.[10]

In a 1932 report in Science, a Mayo Clinic physician named Edward C. Rosenow wrote that in addition to other small particles viewable with the standard lab microscope, small turquoise bodies termed eberthella typhi were seen in the filtrate that were not visible in the lab microscopes, which Rosenow attributed to "the ingenious methods employed rather than excessively high magnification".[11] The identity of these bodies is unknown.

* * *

Rife was no ordinary man. He was the 21st incarnation of Jesus Christ who tried to save mankind from all deadly diseases. His new duty and incarnation was announced in Psalm 18, at the 10th anniversary of the Tunguska Explosion - the year the LORD "took" the dead body of Rasputin "out of many waters", the Neva River, and "redeemeth" [vitalized, re-animated] him.

Psalms 18:

16 He sent from above, **he took me, he drew me out of many waters.**

27 For **thou wilt save the afflicted people;** but wilt bring down high looks.

Dr. Rife succeeded in his research, but was surpressed by the medical giants of the day, especially from 1934 and onward, who were displeased with "the" cure that ended all diseases. The future sales of their inefficient cancer medicine were at stake!

By specifically tuning into the unique frequency of the microbe, RRR was able to exterminate it totally thus curing the illness in almost days! No medicine was needed! Cancer cured! Case closed! Allegedly, American Medical Association was not cheerful about Rife's achievements as the cancer patients were!

Notice how the word "**magnify**" used in the 34th Psalm alludes both to the minute level of atom related research and to the gigantic level of magnification Royal Raymond Rife applied on viruses and microbes.

Rife was known for his hand-made microscopes which were composed of thousands of separate parts. He had personally built his microscopes that magnified the tissues and cells many more times [up to 60,000x] than the technology of the day enabled [up to 2,500x]. According to Rife, optical microscopes and magnification were a must, as they did not alter the body and the nature of the tissue or cell under observation the way the electron microscopes did.

His third (1933) microscope was described by Rife in the following terms: The universal microscope, which is the largest and most powerful of the light microscopes developed in 1933, consists of 5,682 parts and is so called because of its adaptability in all fields of microscopical work, being fully equipped with separate substage condenser units for transmitted and monochromatic beam, dark-field, polarized, and slit-ultra illumination, including also a special device for crystallography. The entire optical system of lenses and prisms as well as the illuminating units are made of block-crystal quartz, quartz being especially transparent to ultraviolet radiations.[13] It subsequently featured in the 1944 Annual Report of the Board of Regents of the Smithsonian Institution.[14]

In a 1932 report in Science, a Mayo Clinic physician named Edward C. Rosenow wrote that in addition to other small particles viewable with the standard lab microscope, small turquoise bodies termed eberthella typhi were seen in the filtrate

that were not visible in the lab microscopes, which Rosenow attributed to "the ingenious methods employed rather than excessively high magnification".[11] The identity of these bodies is unknown.

What Dr Rife claimed is that each microbe has its own resonance frequency. With the Rife technology, he bombarded the microbes with light frequency which matched that of the microbe at an intense level. He called his machine the Beam Ray machine. What he said happened was that the microbes would explode or shrivel up and die. Some researchers today are reported to be corroborating Royal Rife's discoveries.

Since the frequency is different for any other healthy cells near the unhealthy ones, those cells are not damaged no matter how intense the frequency is.

The results Dr. Rife reported are not unlike the wine glass which will shatter when an opera singer sings the right note at a high enough frequency.

*The work of Dr Royal Rife was not going unnoticed. In November of 1931, The San Diego Evening Tribune reported that Dr. Milbank Johnson, Director of the Southern California American Medical Association, honored Dr. Rife at a banquet held at his own estate in Pasadena, California. Forty-four of the US's most respected doctors from around the country attended. **The banquet was fittingly called "The End to All Diseases."***

* * *

Finally, the year 1934 was of crucial importance for Rife and his theories.

In 1934, an experiment was reportedly conducted that did show the Rife machine cured cancer. It is commonly reported that a Special Medical Research Committee was formed at the University of Southern California. The committee consisted of medical doctors and pathologists. ***It is reported that they brought sixteen terminally ill cancer patients who were near death from the Pasadena County Hospital to the laboratory of Dr Rife to be treated with the Rife frequency generator. The plan was for the patients to be examined in 90 days if they were still alive.***

Reports are that after the 90 days, the patients were examined and fourteen of them were declared cured. The other two stayed at the laboratory. Their treatments were intensified. Four weeks later, those two were also declared cured.

Dr. Milbank Johnson, who held the banquet in Dr. Rife's honor, was about to announce the results of the 1934 study of the sixteen cancer patients who were reportedly cured. However, he never got to make that announcement. It is reported that just hours before making the announcement, he was fatally poisoned and his papers were "lost."

It is reported that Morris Fishbein, sole stockholder of the American Medical Association, tried unsuccessfully to buy the rights to the Rife machines. Soon afterwards, written records, stop motion photographs, film and other evidence of Rife's work began disappearing. Part of his Universal Microscope's nearly 6,000 pieces went missing. It is reported that the police then entered his laboratory, ransacked it and took the rest of his research records.

Dr. Nemes, who had duplicated some of Rife's experiments, was killed in a suspicious fire. His records were also destroyed in the fire.

Just as scientists at the multi-million dollar Burnett Laboratory located in New Jersey were about to announce they had validated the Rife technology, the laboratory was also destroyed by a suspicious fire.

Reports are that doctors who defended Dr. Rife and his work lost their hospital privileges and foundation grants.

The Beam Ray Corporation was the only company manufacturing the Rife Beam Ray machine. Royal Rife was not a partner of the Beam Ray Corporation. It is reported that, in 1939, agents of a family controlling the drug industry brought a law suit against the corporation.

The law suit brought an end to commercial manufacture of the Rife generators.

It is reported that medical journals, which were almost entirely supported by revenue from drug companies and controlled by the American Medical Association, refused to publish any paper supporting the Rife technology.

Arthur Kendall, director of the Northwestern School of Medicine, worked with Dr. Rife in his research on the cancer virus. It is reported that he accepted almost \$250,000 and retired to Mexico. Remember, this was during the depression. \$250,000 was an exorbitant amount then.

Dr. George Dock collaborated Dr. Rife's work. Reports are that he accepted an enormous grant from the American Medical Association which also bestowed on him their highest honors. He also became silent.

It has been reported that in 1980, the American Medical Association was found guilty by a US Court of Appeals of "conspiracy to restrain competition... New methods of

health care have been discouraged, restricted and in some instances eliminated."

Mustafa Kemal Ataturk

[Key phrases: The eyes of the LORD are upon the righteous, and his ears are open unto their cry, The face of the LORD is against them that do evil, to cut off the remembrance of them from the earth, The LORD is nigh unto them that are of a broken heart; and saveth such as be of a contrite spirit, The young lions do lack, and suffer hunger: but they that seek the LORD shall not want any good thing, The LORD redeemeth the soul of his servants: and none of them that trust in him shall be desolate, O magnify the LORD with me, and let us exalt his name together, They looked unto him, and were lightened: and their faces were not ashamed]

The 34th Psalm is an exciting Psalm for those who try to decode the message hidden in the ancient Scripture written almost 3,000 years ago.

It is in the 34th Psalm that we are given the key phrases: **"The eyes of the LORD", "the face of the LORD", "the LORD is nigh"**. The messages we get from the key phrases are as thus: The LORD is here on Earth, not on a personal visit, but is manifested in a human body. People see His face, people see His eyes. and most of all, He is "nigh", near! Near to who? "To them that are of a broken heart". Who are those that are "of a broken heart"? The "young lions" that suffer hunger, those with "contrite spirit" - the Turks who not only lost their "dominion" which was taken away from them and handed over to Americans in 1908, but [after a six century long semi-global reign] were now on dire straits; suffering from hunger and poverty in year 1934!

As we have seen our year 1919 study, Mustafa Kemal Atatürk was the 22nd and the final incarnation of Christ during his 1,900 year long journey since his first birth to Virgin Mary. The first (Alpha) and the last (Omega) incarnations of Jesus Christ were to be exclusively lived by the LORD of Hosts Himself who declared it in both the Bible and the Koran: "I am the first, I am the last".

In year 1934, when the surname law (that forbids nicknames and personal titles) was adopted in the new Turkish Republic, the Turkish Parliament [with Mustafa Kemal's approval] gave the name/lastname "**Ataturk**" to Mustafa Kemal (Turkish for "Father of the Turks" or "**Father Turk**").

Mustafa Kemal Pasha, from 1934 and on, was to be known and remembered as Mustafa Kemal Atatürk [**"let us exalt his name together, They looked unto him, and were lightened: and their faces were not ashamed"**].

The 22nd verse makes clear: "The LORD redeemeth" the soul of his servants" hinting how the LORD constantly redeemed, re-vitalized, re-animated the lives of Jesus. The very name Jesus means "Yahweh saves". Jesus, a servant of the LORD, never died a permanent death and will never either! He will always be "saved" by the LORD of Hosts who will grant him a brand new life at will.

Moreover, the number 22 is the number of Jesus Christ. No wonder it is in the 22nd verse that we are reminded of this fact once again! Mustafa Kemal Atatürk, who was named "**the Father of the Turks**" in year 1934, lived the final, the 22nd life of Jesus so that He could save "his people", the Turks, from their enemies, establish a new republic with modern laws, and personally rule and govern His people till His death in 1938.

Chapter 5

Year 1971 Study

The Death of Royal Raymond Rife

[Key phrases: I am as a wonder unto many; but thou art my strong refuge, O God, thou hast taught me from my youth: and hitherto have I declared thy wondrous works, Now also when I am old and grayheaded, O God, forsake me not; until I have shewed thy strength unto this generation, and thy power to every one that is to come, Thou, which hast shewed me great and sore troubles, shalt quicken me again, and shalt bring me up again from the depths of the earth]

Rife, the 21st incarnation of Jesus lived longer than his successor Ataturk who passed away in 1938. Rife was aged 83 years old when he died in 1971.

The 71st Psalm is devoted entirely to him and reports his final days before death. Rife was buried next to his first wife Mammie who, interestingly enough died a day after her 71st birthday.

Her records show that Mammie was a Mongolian – a Turk! It seems like most, if not all, incarnations of Jesus were of Turkic origin. Ataturk was a Turk, Lenin was half Turk, Yusuf Khas Hajib was a Turk, Prophet Mohammed was called the “Turk” by Martin Luther centuries later... And now, the first wife of Rife was a Turk!

From "My Rife Journal"
by Jim Furey

Today [August 10, 2001] I went to Mount Hope Cemetery in San Diego to see where Rife was buried. The records at the cemetery said that his account there was taken care of by the state. (San Diego Public Administrator). That basically means that either he was poor, or that he had no surviving relatives, so in place of any person taking care of the account, the state steps in and finalizes things.

He [Royal Raymond Rife] is buried next to his first wife Mamie (who's name they misspelled on their records as "Mayme" (but luckily NOT on her grave stone). Also on her card her race was listed as "Mongolian". I was told it was customary at that time (1957 at the time of her death) to put race on their cards. (Rife had "W" for "white" on his, even during 1971).

Her maiden name was Quin, and that was listed both on her card and on her grave stone as her middle name. There are quite a number of Quins also buried in the immediate vicinity which makes me wonder if this was the family plot. I could check the names and find out, but that might be exhaustive. She was one of a few daughters of Ah Quin, who was a businessman. Checking out his name might be the easiest. If I go there again, I'll check. Mamie's birthday was October 7, 1886, which made her a year and a half older than Rife. She died the day after her 71st birthday, while Royal lived on to be 83.

Rife died penniless - much like Jesus, Rasputin, Prophet Mohammed and almost all the other incarnations of Jesus. The man who cured cancer did not even have his own grave when he died. He was buried next to his first wife.

Thanks (!) to the American Medical Association, all Rife-related research, inventions and correspondences were allegedly burnt down to the ground and destroyed totally from 1934 to 1950. The “enemies” of Rife were busy wiping off Rife’s name from the medical arena ever after just the same.

Rife’s cure for cancer caused a threat to the happy sales of the drug giants. The inefficient medicine they sold that was subscribed by millions of patients brought home sure-shot profits year after year. Dedicated “customers” could now be all lost if and once Rife’s methods were applied on them.

Rife cured cancer. He knew it. AMA (American Medical Association) knew it. Rife proved it over and over again, first on mice then on humans. Unfortunately, certain cartels were not too happy about what Rife achieved back in 1934.

The 71st Psalm is a farewell Psalm – one that sums up all the 22 lives Jesus had lived during the past 1,900 years. With the death of Dr. Rife, Jesus completed his cycle of 22 lives. There were no more “Jesuses” alive on Earth from then on.

The Koran reports Jesus’ ability to speak while in the cradle. Jesus had the habit of writing farewell letters, or delivering farewell speeches throughout all his incarnations. Rasputin had written a last letter, a farewell note to Nicholas II that warned him about what laid ahead [1916 AD]. Prophet Mohammed delivered a “Farewell Speech” months prior to his death just the same [632 AD]. Ditto for Lenin. He recorded eight separate speeches on gramophone records - the final one regarding “Anti-Semitism” [1919 AD].

So did Ataturk. His self-authored and self-titled “Speech” summed up all he did for the Turkish nation from 1919 to 1927. He personally read it aloud at the Turkish Parliament - a feat that took him 6 days, 36 hours to complete [1927 AD].

The 18th verse of the **71st Psalm** reads as follows:

18 Now also when I am old and grayheaded, O God, forsake

me not; **until I have shewed thy strength unto this generation, and thy power to every one that is to come.**

Rife was 83 years old when he died. Jesus is thanking the LORD for all the lives He had provided for him. Notice the line: "I have shewed thy strength unto this generation, and thy power to every one that is to come" – confirming our thesis of Jesus being born once every century or "generation" (except for his 19th incarnation that hosted not one, not two, not three but four lives, all at once).

The almost extraterrestrial life form Jesus introduced to mankind with his 22 separate lives came to halt with the death of Dr. Royal Raymond Rife.

The series of 22 (20 excluding the first and the last) separate lives Jesus personally lived on Earth one after the other are described as follows in the 7th verse:

7 I am as a wonder unto many; but thou art my strong refuge.

17 O God, thou hast taught me from my youth: and hitherto have I declared thy wondrous works.

Notice how the 19th verse is devoted to the LORD who is known for His number 19:

19 Thy righteousness also, O God, is very high, who hast done great things: O God, who is like unto thee!

Also notice how the **71st Psalm** hosts a total of 24 verses signaling the due 24 new lives of Jesus!

His upcoming 24 new lives (22 excluding the first and the last), his new 1,900-year incarnation cycle due to start in 2019 is also hinted.

20 Thou, which hast shewed me great and sore troubles, shalt quicken me again, **and shalt bring me up again from the depths of the earth.**

21 Thou shalt increase my greatness, and comfort me on every side.

23 My lips shall greatly rejoice when I sing unto thee; and my soul, which thou hast redeemed.

24 My tongue also shall talk of thy righteousness all the day long: for they are confounded, for they are brought unto shame, that seek my hurt.

14 But I will hope continually, and will yet praise thee more and more.

15 My mouth shall shew forth thy righteousness and thy salvation all the day; for I know not the numbers thereof.

The 24th verse that reads **“for they are confounded, for they are brought unto shame, that seek my hurt”** alludes to the American Medical Association that was found guilty of “conspiracy” by a U.S. Court of Appeals nine years after Rife’s death.

It has been reported that in 1980, the American Medical Association was found guilty by a US Court of Appeals of "conspiracy to restrain competition... New methods of health care have been discouraged, restricted and in some instances eliminated."

Finally, year 1971 marked the 900th anniversary of the Battle

of Manzikert (Malazgirt) fought in 1071 AD that enabled the Turks to move into their current homeland Anatolia and paved the way for their mass conversion to Islam.

Year 1971 also marked the 1,900th anniversary of the Second Siege of Jerusalem by Titus. All sacred objects of the Holy Temple were carried over to Rome as an aftermath of the siege.

As implied in between the lines, year 2071 AD will equally host some historic events. In the Millennium Psalm, the 90th Psalm, Moses highlights the year 2060 and 2070 AD, "for it is soon cut off, and we fly away." reads the verse, hinting that a remnant among the Jews may actually leave the Earth, or be transported up to Zion/Mars in year 2060 or 2070 AD.

Year 2070 is a syzygy year, the year of another grand planetary alignment. As we have seen, 7 years after a syzygy year a "Son of God" is destined to be coronated/inaugurated to the throne here on Earth.

What we call "history", in a way, is the biography of Jesus. The almanac of mankind is nothing but the diary of Jesus! - The Man who died not! [A permanent death!]

Psalms 118:

17 I shall not die, but live, and declare the works of the LORD.

18 The LORD hath chastened me sore: but he hath not given me over unto death.

The 118th Psalm is the "middle", the "center" chapter of the entire Bible. The 118th Psalm that points to year 2018 AD events signals that half of human history is over. The 119th Psalm that points to year 2019 AD events [the year of the start of the new Jesus Cycle] hints the start of another era - the other half!

In year 2019, a brand new 1,900-year Jesus Cycle will begin that shall crown Jesus 24 new lives. The first and the last incarnations of Jesus were fated to be lived exclusively by the LORD of Hosts Himself - the Alpha (the First) and Omega (the Last).

The first new Character of the brand new Jesus Cycle is highly likely to portray a prophet who may deliver a brand new religion to mankind [or a new interpretation of the already revealed ones] as hinted in the 118th Psalm:

Psalms 118:

26 Blessed be he that cometh in the name of the LORD:
we have blessed you out of the house of the LORD.

28 Thou art my God, and I will praise thee: thou art my God, I will exalt thee.

Life is not random as most think it to be. Life is organized; events in it are interlinked to one another across space-time we call past, present and future.

To those who still doubt it, there is a God and the LORD of Hosts is His Name. The time travel the LORD has provided for us within the 3,000-year-old verses of the Psalms reflects all the proof and evidence one can ever want for confirming God's existence.

Hallelujah, the LORD is awesome! Hallelujah, the LORD is! Hallelujah, there is no other God whatsoever! Indebted we shall remain. And forever, that is. To the LORD of Hosts who knows all, owns all and rules all!

Amen.

**The newspaper obituary for Royal R. Rife
that appeared in "The Daily California" [a newspaper] on
August 11, 1971**

***Scientific Genius Dies
Saw Work Discredited***

LA JOLLA —The scientific genius who built one of the world's most powerful microscopes and invented a machine to treat cancer and other diseases was buried today in Mt. Hope Cemetery.

Royal Raymond Rife, 83, whose Frequency Instrument - a method of electrocuting disease-causing organisms in the body - was the subject of intense debate during the 1950's, died Thursday at Grossmont Hospital of a heart attack.

Alone and virtually penniless, he had been living in an El Cajon rest home since last year.

Acclaimed by the scientific world in the 1930's for his invention of the Universal Microscope, a mechanical marvel containing 5,280 parts and a magnifying power 20 times as great as any then in existence, Rife lived to see some of what he considered his most important work discredited by the medical profession.

The Frequency Instruments, used by some doctors across the United States in treating a variety of diseases, were confiscated. Reputations were ruined and one of Rife's associates served three years in prison before winning a reversal of his conviction on grand theft charges.

Though Rife himself was not prosecuted, his reputation was sullied and he clung to the suspicion that organized medicine had conspired against him in his efforts to rid mankind of the scourge of disease.

"Having spent every dime I earned in my research for the benefit of mankind, I have ended up as a pauper, but I achieved the impossible and would do it again," Rife said in an affidavit filed at the time his friend and associate, John Crane, was appealing his conviction.

He accused the American Medical Assn. of rejecting his electronic therapy discoveries and implied the organization had "brainwashed and intimidated" his colleagues as well as "feloniously censored" the publication of his work.

"I certify that the AMA and the Department of Public Health have declared war on Rife's Virus Microscope Institute," said the affidavit signed Feb. 7, 1967.

Rife built his microscope, one of five he invented, so he could actually see disease viruses and observe their activity, a triumph which astounded scientists at the time.

From his observations, Rife developed the theory that every micro-organism has a "mortal oscillatory rate" - a point at which it will shatter or break apart when bombarded by sound waves.

He had conceived the idea of electronic therapy as early as 1922, but it was not until 1934 in the Ellen Scripps home near La Jolla that he was ready to demonstrate "Rife's Ray."

Sixteen patients with incurable diseases were treated by physicians with Rife's Ray in a clinical test of the machine supervised by Dr. Milbank Johnson of Los Angeles.

The claim was made that 14 of the 16 patients were pronounced "clinically cured" by the medical staff within 70 days and the remaining two patients were discharged after three months of treatment.

In the next 20 years, Rife perfected his machine - later to be

called the Frequency Instrument – and about 100 of them were in use by physicians in various parts of the world.

Affidavits are on file in the courts from patients who claim they were cured of cancer, butterfly lupus – a skin ailment – and other diseases after treatment with the Frequency Instrument.

Scientists and physicians also claimed success with Rife's invention. One of his closest collaborators was Dr. Arthur Kendall, professor of bacteriology at Northwestern University Medical School, who wrote that he had observed successful treatment of a tumor on a man's cheek.

E.L. Walker of the George Williams Hooper Foundation, an early-day cancer research organization, hailed the device for its effectiveness against typhoid organisms.
